

We thank and acknowledge the contribution of the meeting sponsors

The support from our sponsors for this virtual meeting has been overwhelming and we are sincerely grateful for their continued involvement and support of both ASCEPT and APSA.

Each sponsor is acknowledged in the sponsor portal where they have uploaded their company profile, website and contact information, a company brochure and for platinum/principal sponsors, a brief welcome video.

Select the appropriate view button for each sponsor, then select the drop down arrow to review sponsor information and brochures.

The screenshot displays a web interface for viewing meeting sponsors. At the top, there is a button labeled "View the meeting sponsors" with a laptop icon and a "Visit" button. Below this is a search bar with the word "SPONSOR" and a "Filter" input field, along with an "Advanced" search option. The main content area is divided into sections for different sponsor levels:

- Principal:** A red header section containing the logo for Bellberry Limited, a brief description of their services, and a "View" button.
- Platinum:** A dark grey header section containing the logo for the British Pharmacological Society, a brief description of their mission, and a "View" button.
- Other Sponsors:** A section containing the logo for the National Alliance for Pharmacy Education (NAPE), a brief description of their partnership, and a "View" button.
