ASCEPT is the professional and independent society in Australia and New Zealand for those with expertise in the use and toxicity of medicines and chemicals. ASCEPT is a member-based organisation and membership comprises clinicians, pharmacologists, toxicologists, pharmacists and scientists.

Established in 1966, ASCEPT is affiliated with the International Union of Basic and Clinical Pharmacology (IUPHAR) and the International Union of Toxicology (IUTOX). The Society values its members and provides high-quality scientific meetings. It also recognises the achievements of its members by awarding prestigious Society prizes including the Rand Medal, the ASCEPT Lecturer and the ASCEPT Achievement Award, as well as student prizes and early career awards. As we look to the future it is an exciting and challenging time for our professions, and the Society will continue to enhance our national and international reputation through its work.
